

SCIENTIFIC PROGRAMME

Central European Time	ORSI Greenkey	Channel 1	Channel 2
08:00h - 8:15h.	4Health: presentation and goals Ruben De Groote & Carlo Bravi		
8:15h – 10:30h	Moderation Prof. Dr. K. Decaestecker <i>Maria Middelaes Hospital, Ghent, Belgium</i> Prof. Dr. S. Nathan <i>University College London, London, UK</i>	Robot-assisted pyeloplasty in child Prof. Dr. A.F. Spinoit <i>Ghent University Hospital, Belgium</i>	Robot-assisted radical prostatectomy (RARP) with PSMA radioguided surgery during PLND Prof. Dr. F. Montorsi <i>San Raffaele Hospital, Milan, Italy</i>
10:30h – 12:00h	Moderation Prof. Dr. K. Decaestecker <i>Maria Middelaes Hospital, Ghent, Belgium</i> Prof. Dr. S. Nathan <i>University College London, London, UK</i>	Robot-assisted simple prostatectomy (RASP) Prof. Dr. F. Porpiglia <i>San Luigi Gonzaga Hospital University of Turin, Italy</i>	Robot-assisted transabdominal partial nephrectomy (RAPN) Dr. R. De Groote <i>Onze Lieve Vrouw Hospital Aalst, Belgium</i>
12:00h – 12:30h	Keynote lecture Innovation by Intuitive		
12:30h – 14:00h	Moderation Dr. R. De Groote <i>Onze Lieve Vrouw Hospital Aalst, Belgium</i>	Robot-assisted retroperitoneal partial nephrectomy (RAPN) Dr. C. Vaessen <i>Hôpital Pitié-Salpêtrière, Paris, France</i>	Retzius-sparing Robot-assisted radical prostatectomy (RS RARP) Dr. A. Shridar <i>University College London, UK</i>

	Prof. Dr. S. Nathan <i>University College London, London, UK</i>		
14:00h – 16:00h	Moderation Dr. R. De Groote <i>Onze Lieve Vrouw Hospital Aalst, Belgium</i> Prof. Dr. S. Nathan <i>University College London, London, UK</i>	Robot-assisted artificial urinary sphincter placement Dr. Benoît Peyronnet <i>Centre Hospitalier Universitaire de Rennes, France</i>	Robot-assisted radical nephro-ureterectomy Dr. Geert De Naeyer <i>Onze Lieve Vrouw Hospital Aalst, Belgium</i>
16:00h – 16:30h	Keynote lecture Innovation in training and telementoring Prof. Tony Gallagher <i>ORSI Academy, Melle, Belgium</i>		
16:30 – 19:30h	Moderation Dr. R. De Groote <i>Onze Lieve Vrouw Hospital Aalst, Belgium</i> Prof. Dr. S. Nathan <i>University College London, London, UK</i>	Robot-assisted partial nephrectomy (RARP) Dr. R. Coelho <i>Universidade de São Paulo, Brazil</i>	Robot-assisted radical cystectomy (RARC) with neobladder Prof. Dr. A. Minervini <i>Careggi Hospital, Florence University, Italy</i>
	Moderation Dr. R. De Groote <i>Onze Lieve Vrouw Hospital Aalst, Belgium</i> Prof. Dr. S. Nathan <i>University College London,</i>	Robot-assisted ureteroplasty with buccal mucosa Dr. Rasesj Nair <i>Guy's and St Thomas Hospital, London, UK</i>
